

SUNSET MARATHON

GUIDE

We're excited to have you be part of our first Sunset Marathon run!

Sunset Marathon was designed as a more private, personalized run that focuses on just the run itself.

We strip away a lot of the excess of check-in, after-parties, large crowds, music & DJ, and some of the conventional productions of a typical race.

This way it allows you to just focus on the run and not a lot of the other commotion.

Our theme this year is Chase the Night! Race to win before it gets dark. For this run and for perhaps other things in life.

Please read through this guide carefully for everything you'll need to know for the event!

1. YOUR PACKET

Your packet will consist of:

- Race shirt
- Race cap
- Water carabiner
- Tag
- Finisher's Award

If you have not received your packet, please email us at contact@sunsetmarathon.com

2. RACE-DAY INFORMATION

- Please check our website at www.sunsetmarathon.com for starting times, course maps, and any updated information.
- Start times have been designed so you finish before Sunset and can stick around or finish right as the sun sets.
- Note that in the event we're unable to bring out a chip timer, we will have a hand timer in lieu who will record your finishing times by hand.
- Your finishing times will be input into our system which will then allow us to post your pace and times online.

3. IMPORTANT NOTES:

- There will not be an “after-party” per se but after the run and the beautiful sunset, you can celebrate with a beer or go somewhere to get a bite!
 - If you arrive late, you can still run – however, your finishing time will need to be adjusted.
 - Half-Marathon distances are looped – please count the loops yourself. Or the handtimer will also have loop markers for you pickup after each loop.
 - Plan to arrive at least 15 minutes before the scheduled start time. There is no check-in, you simply walk to the starting area where the hand timer will be setup with cones.
 - The course is marked as best as possible. In the event you get lost or run off course, please finish the best you can and we can try and adjust times.
 - **Awards:** Top finishing times will be mailed a “lantern” medal and finishing participants can also receive a finisher’s lantern.
-

FINAL REMARKS & IMPORTANT INFORMATION:

Please review the following:

- Running with kiddos? Be sure to keep them close throughout the run.
- No Alcohol or commercial food permitted in the Park.
- Runners start near the front. If you are planning to walk, please start towards to back to allow runners to clear through first.

FRIENDLY REMINDERS

- Respect each other.
 - Have Fun!
 - Dispose all trash in trash bins
-

**HAVE A GREAT RUN
AND WE HOPE YOU
ENJOY THE SUNSET!**
